## PHYTODESS

hair care to naturally magnify hair beauty!

# From design to formula, these hair care products are sure to please!

DESSANGE introduces PHYTODESS, its **range of shampoos and hair treatments** used daily in its salons, to enhance women's beauty while talking to their senses!

The **27 products - shampoos and hair treatments** - are organized into four needs:

- **scalp treatments**
- **shampoos**
- **specific care for lengths and ends**
- **specific care for sun-exposed hair**

PHYTODESS focuses on **natural ingredients** and formulas while maintaining the refined touch and **professional spirit** that all DESSANGE creations are famous for. The formulation charter that guides the creation of each PHYTODESS product will reassure the most demanding customers.

- a majority of natural origin ingredients
- formulas that minimize the risks of allergies
- products systematically tested and validated by the DESSANGE Hair and Beauty Research and Training Center.

Formulated for hair and scalp's specific needs, the association of PHYTODESS hair treatments and shampoos brings you a real 'spa moment' at home, while still getting your hairstylist's professional and expert gestures. A **made-to-measure ritual** combining delicate textures and floral scents.

# THE PHYTODESS STARS

DESSANGE introduces **three PHYTODESS star products**

## **TERRE PRECIEUSE OR** ***rinse-off clay bath for multi-stressed scalp***

In the salon, hairstylists mix a TERRE PRECIEUSE and a SHAMPOO to invent a **tailor-made ritual** that will act both on hair and scalp.

At home, this sublime golden paste is applied section by section like a precious and beneficial ointment. Its fragrance and soft texture are irresistible. The soothing action is immediate, while the invigorating effect reflects in restored hair strength. A pure delight!

■ 200ml

## **YLANG-YLANG SHAMPOO** ***lasting nutrition for dry, weakened hair***

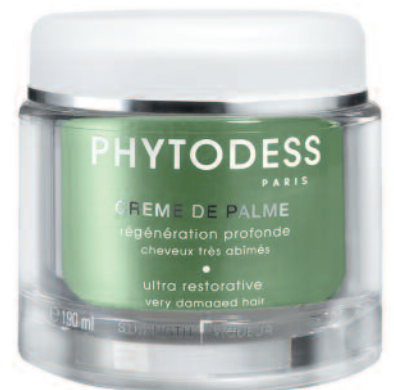

Goodbye dry, brittle hair! This rich and luscious shampoo works from roots to tips. It delivers a cocktail of vitamin B5 and ylang-ylang essential oil capable of restoring **strength and shine** to hair in need of comforting action. You'll feel reconciled with your hair after only a few uses!

■ 250ml

## **CREME DE PALME** ***ultra-restorative cream for very damaged hair***

A concentrate of nature with repairing action, this highly original treatment, composed of **99% palm oil**, is the ultimate weapon against hair dryness. This naturally restoring "cement" helps repair the hair fiber and intensely coat and nourish the most damaged hair. It makes you feel "addicted" from the very first use. This treatment is used with PHYTODESS spirulina shampoo.

# THE PHYTODESS RANGE

Products to combine at will, creating a **personalized hair care** ritual totally adapted to the needs of hair and scalp.

## SCALP TREATMENTS

Like the skin, the scalp needs to be moisturized, nourished and pampered : it plays a capital role in hair beauty! This is why PHYTODESS has created **seven products** specifically adapted to the needs of scalp which undergoes daily stress or which is naturally imbalanced.

### LES TERRES PRECIEUSES

#### *rinse-off clay baths*

PHYTODESS has created TERRE PRECIEUSE, a collection of rinse-off scalp treatments formulated with clay, essential oils and – for the first time in hair care – precious metals and stones with recognized effectiveness to help rebalance, soothe or remineralize the scalp.

■ 200ml

#### **TERRE PRECIEUSE MALACHITE (MALACHITE)**

Helps purify and regulate oily scalps; removes oily dandruff.

< **PURITY**

#### **TERRE PRECIEUSE CUIVRE (COPPER)**

Helps soothe, revitalize and protect irritated scalps.

< **COMFORT**

#### **TERRE PRECIEUSE OR (GOLD)**

Helps moisturize, detoxify and rebalance multi-stressed scalps.

< **BALANCE**

#### **TERRE PRECIEUSE PERLE (PEARL)**

# SYMBIO SUN, SPECIFIC CARE FOR SUN EXPOSED HAIR

During summer, hair needs **to be pampered**. The **deliciously exotic scented** Symbio Sun range offers special hair treatments to make sun exposed hair more beautiful. These not-to-be-missed products associate protection and pleasure, making hair beautifully **shiny** in the sun.

## FONDANT PROTECTIVE GEL

This pearly "gelée" adorns the hair with light and gives a glamorous wet effect. It contains UVA-UVB sunscreens that help protect hair from sun damage, while banana extract, rich in trace elements, works to regenerate the hair fiber. Hazelnut oil helps prevent dryness.

*Apply to dry or damp hair before exposure. Reapply regularly.*

■ 150ml

## JOJOBA DRY OIL

Apricot, macadamia and jojoba oils gently coat and nourish hair, while vitamin E and sunscreens actively protect wet or dry hair in the sun.

*Apply to dry or damp hair before exposure. Reapply regularly.*

■ 150ml

## MALLOW SHAMPOO

**hair and body**

This ultra-gentle shampoo washes away all traces of oil, sand, salt and chlorine with its mild cleansing base containing shea butter. Enriched with repairing banana extract and a specific retexturizing complex (althea, arnica, achillea among others), it leaves hair feeling extra-soft after a day in the sun.

*Apply to damp hair and body, work into lather with water, then rinse thoroughly.*

■ 200ml

## CALENDULA MASK

**dry hair**

As if by magic, this concentrate of softness seems to transform hair into silk. Plant extracts help remineralize, regenerate and protect hair from sun damage in one easy step, leaving it extremely easy to detangle and style.

*Apply in a thick layer to clean, towel-dried hair. Leave on for 5 minutes, then rinse off.*

■ 150ml

# SYMBIO SUN, COLOR-TREATED HAIR

Made more fragile by the sun, sea, chlorine and salt, **color-treated hair** needs **special attention** to maintain its **shine** in the open air.

## WATER LILY MIST *color-treated hair*

This light and refreshing mist is enriched with hydrating and anti-oxidant water-lily extract associated with UV filters. It maintains the color's shine and helps untangle hair. Its dual function makes it the perfect ally for color-treated hair exposed to the sun, to the sea or to chlorine:

- During exposure, it protects hair from the aggressions of the sun, sea or chlorine.
- After exposure, it hydrates and repairs color-treated hair.

*Vaporize throughout the day during and after exposure on clean and towel-dried hair.*

**Tips:** Use as often as you like

■ 150ml

## MANGO SHAMPOO *color-treated hair*

This creamy textured shampoo gently washes hair and scalp, while eliminating all traces of salt, chlorine and sun care products. Its gentle cleansing base – anti-oxidant sesame oil and hydrating mango butter – cleans and moisturizes color-treated hair. Banana extract, with its remineralising benefit and a natural protection against UV rays, protects hair's shine.

*Apply on wet hair, lather and rinse carefully.*

■ 200ml

## RED PALM CREAM *color-treated hair*

This rich and luscious cream regenerates and maintains the shine of sun, salt or chlorine exposed color-treated hair. Rich in nourishing and anti-oxidant red palm oil and anti-ageing vegetal oils (apricot and macadamia nut), its formula intensely nourishes and repairs color-treated hair and maintains its shine.

*On clean and towel-dried hair, apply on the lengths and allow to penetrate. Leave-in for 5 minutes and rinse carefully.*
